

Charcroft Purchasing Intelligence 1911

Leadtime Trends

Leadtimes have reduced significantly for power supplies and radial dipped ceramic capacitors and remained stable for other passives. Axial aluminium capacitors, PPS film capacitors and 0201-case ceramic capacitors remain on extended leadtimes.

Metal Price Trends

Prices remain relatively stable, although a steady increase is shown in the price of silver, palladium and tantalum concentrate.

All graphs are guidelines only.

Base Metals Price Trends

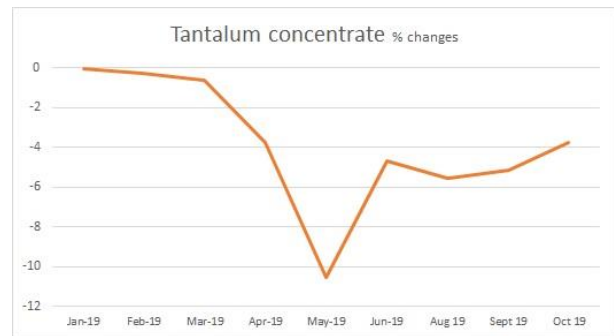

Capacitors: Aluminium Resistors: Trimmers, Networks

Capacitors: Mica Resistors: All Non-RoHS

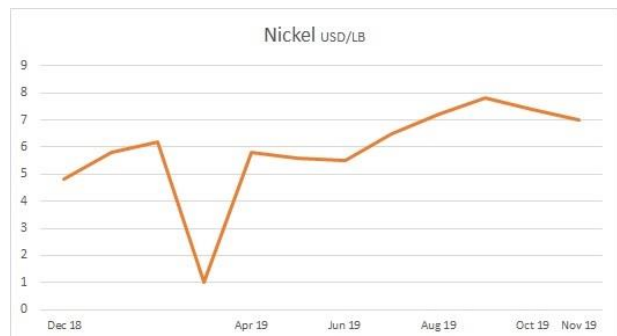

Capacitors: Film, Mica Resistors: Carbon, Metal film, Wirewound

Capacitors: Tantalum

Capacitors: Mica

Capacitors: Surface-mount

Precious Metals Price Trends

Capacitors: Metal clad, Mica Resistors: Networks

Capacitors: Ceramic Resistors: Surface-mount

Last Time Buy and Product Change Notifications

End of Life (EOL)

- EOL of April 20th 2020 announced by TT Electronics for BCN resistors with concave terminations | [View EOL](#) [Request quote](#)

Part Change Notification (PCNs)

- Lead-free enamel on Vishay Sfernice fixed resistors is imminent for RT and RSO series and in 2020/2022 for other series. [View shipment dates & series](#)
- Markings changed on TT Electronics' ULR metal element current sense resistors to reduce lead-time with no affect on performance | [View Part Nos](#)
- Dot peen marking process replacing ink stamping on Vishay Sfernice's ECO50 tab series of variable resistors | [View PCN](#)
- Cardboard packaging replaces plastic for standard Vishay Sfernice's RO200 potentiometers with adjusted MOQ/MSQ. Lower order quantity available on request. [View PCN](#) [Request Quote](#)
- The chips in TT Electronics' phototransistor series have been replaced with equivalent replacements without affecting fit, form, function or reliability | [4NxX](#), [OMS1181](#), [HCC1216TX](#)
- Certification to EN 60950 has been discontinued on Crydom GNR solid state relays as TUV no longer support this standard | [View PCN](#)
