Change Detail	
Description of Change	TT Electronics will increase the standard pack quantity, on the affected product types, from 400 to 800 pieces.
Reason for Change	This will bring the standard pack quantity in line with the minimum order quantity and reduce the amount of reels per shipment.
Implementation Plan	The change will be implement on orders manufactured during April 2018
Customer Impact	400 piece reels are still available on request and must be specified when ordering
